

Fair Haven Recreational Meeting
January 13, 2010

Attendance: Brad, Tara, Brenda, Michelle, Matt, Jackie, Leslie and Sue
Start: 7:00 pm

As a group tonight we worked on our recreational handbook. The handbook is basically finished. The finishing touches will be done after our league rules meeting in February.

Jackie- A Saturday baseball/softball sign up will be held March 7, 2010 at FHGS.

Jackie stated that there has been an issue with Whitehall not paying for our baseball tourney that was held in June 2009. She has made many phone calls to Jason Hoagland one of Whitehall directors. He did not return any of these calls. Jackie then approached Jason at a basketball game at the beginning of January. He was very hostile and angry that she approached him about this. He stated that maybe we should kick Whitehall out of our league. Jackie said that would not be fair to the kids in Whitehall. He then blamed the non-payment on his brother John Hoagland who is co-director in Whitehall. Jackie then made a call to John and he said he would have to look into this matter because he thought he had cut a check to Fair Haven. He will then call Jackie back with an answer.

The board decided that Jackie should discuss this with Serena and find out if any checks had been mailed or not. And if not the board would like Serena to call Whitehall's town manager or mayor and find out the issue with their recreational department.

Jackie brought to the rec. board that she would like to hire an assistant (an adult) for summer rec. in case she needed to take a sick day or had an emergency of some kind and needed to take a day off. She has someone in mind already. Michelle put on the table and Brenda 2nd it. All were in favor.

Meeting ended: 8:30 pm
