

Fair Haven Recreational Meeting
February 10, 2010

Attendance: Brad, Brenda, Matt, Michelle, Jackie, Peter and Sue

Meeting started at 7:00pm

In this meeting we discussed our meeting that we had with the select board. Brad will email the Rec. committee our handbook and we will look it over for our next meeting.

We will then finalize the director's job description to bring it to the select board for approval. At such time we will review the duties of our committee.

Jackie: will host a baseball rules meeting on February 22 in the cafeteria at the FHGS. This will involve our league directors and coaches.

Whitehall did pay for last year's tourney.

Jackie put baseball/softball sign up sheets in the grade school on Monday.

We will hold a sign up day on March 6th at the FHGS for 9-12.

Michelle Murray talked to her mom (Kathy Stevenen) about a CPR training. She would only charge up \$1.25 a person the clinic would be 4 hours long. We need to set a date for this after coaches are in place.

We discussed building our new fields behind the grade school. The softball field needs to be done early for 7th and 8th grade ball. The 7th and 8th grade boys field also needs some repairs.

Batting cage will go up this year. A trench needs to be dug for electricity underground to the machine.

Brenda brought up that there are 28 boys signed up for baseball this year and has asked if they decide to have 2 teams if one of the teams could use rec. equipment for one of them. All were in favor.

Brenda mentioned another person joining the rec. committee but was not sure if she was from Fair Haven or not. She does own a business in Fair Haven. We do have our allotted amount of members now though.

It was mentioned to have MVP's picked after every game by both coaches in our tourney's everyone thought that was a great idea.

Brad will talk to Serina about the sealing and lining and the fence around the new basketball courts. They have to be seal so they are not damaged. He will also ask her about the liability issue if any with a CPR training for our coaches. He will send out emails of our handbook.

Starting in April our meetings will be held on Thursday instead of Wednesdays down in the pavilion.

Our next meeting will be March 10th

Jackie ask Eric Ramey about Junior Babe Ruth using the high school field so we can get our outfield graded it is very dangerous right now. It is full of holes and dips.
