**CALL TO ORDER**

Chair Ron Adams called the Public Hearing to order at 6 p.m.

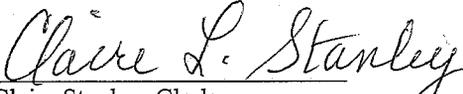

**PURPOSE**

The Hearing was for the purpose of hearing information and public comment on the sidewalk which will go from the bank at the corner of Washington Street and Fourth Street to the corner of Fourth Street and North Main Street. This will be on the north side of the street. The sidewalk will be five feet wide and will all be on town property. It will be a concrete sidewalk with concrete curbing. There are some sections of slate in the existing sidewalk. These will be removed and the slate will be the property of the town. It is hoped the project will be constructed next summer.

The Chair adjourned the Hearing at 6:40 p.m.

Respectfully submitted,
